

Performance Rules & Guidelines

Here's the thing...

You don't really have to sing

You don't really have to dance

No special talent is required, just your energy, enthusiasm and the desire to have fun!

Helpful Hints

- Perform a song that is fun, crowd appealing, and **no more than 4 minutes long**.
- The best songs for lip syncing are upbeat tunes that allow for plenty of facial expressions and exaggerated movements. Some slow songs may lend themselves well to being acted out.
- Costumes and props are strongly encouraged.
- Be creative with your props, costumes, choreography, etc. Remember that you are being scored on creativity and appearance, as well as your ability to lip sync.
- Before settling on a song, we suggest you share your idea with the Lip Sync Battle committee to avoid any duplications or complications later on.
- Bring your cheering section of family and friends and have fun!!
